
Daniel J. Power

last updated January 7, 2009

Professor of Information Systems and Management
College of Business Administration
University of Northern Iowa
Cedar Falls, Iowa 50614-0125
Phone: (319) 273-2987
FAX: (319) 273-2922
Email: Daniel.Power@UNI.edu and
Daniel.Power@DSSResources.COM

Academic Degrees

Ph.D. Business Administration, University of Wisconsin--Madison, 1982.

- Major: Strategic Management and Decision Analysis
- Minor: Information Systems Analysis and Design
- Ph.D. Dissertation: Acquiring Small and Medium-sized Companies: A Study of Corporate Decision Behavior.

M.B.A. University of Wisconsin--Madison, 1981.

M.A. Business Administration, University of Iowa, December 1977.

- Major: Management Systems
- Minor: Quantitative Methods
- Masters Thesis: Design and Development of DECAID: A CAL Decision Formulation Program.

B.S. University of Iowa, 1974.

- Major: General Science.

Recent Academic Employment

August 1, 1996 – Current Professor of Information Systems and Management, College of Business Administration, University of Northern Iowa, Cedar Falls, IA; teach Decision Support Systems, Database Theory and Management, Introduction to Information Systems, MBA Management Information Systems, Business Policy and Strategy.

January 16, 1996 - July 31, 1996 Acting Dean, College of Business Administration, University of Northern Iowa, Cedar Falls, IA; managed a college with 5 academic departments and an active external services division; 65 faculty members; approximate budget \$7 million.

August 1989 - January 1996 Professor of Information Systems and Management and Department of Management Head, College of Business Administration, University of Northern Iowa, Cedar Falls, IA; managed a diverse department of 24 faculty; taught Management and Information Systems courses.

January 1991 - August 1996; January 2008 – December 2008 Director of the Information Systems Research Lab (ISRL), College of Business Administration, University of Northern Iowa, Cedar Falls, IA. Guided student research and responsible for fund-raising and vendor software donations.

Spring 1988 - August 1989 Director of the Office of Computing Services (OCS), College of Business, University of Maryland-College Park. Designed and supervised installation of LAN wiring, Novell network, created organization and supervised 5 FTE staff.

January 1986 - August 1989 Director of the Maryland Management Support Systems Research Lab, University of Maryland, College of Business and Management. Guided student research and responsible for fund-raising and vendor software donations.

August 1987 - August 1989 Associate Professor, College of Business and Management, University of Maryland-College Park; Taught Decision Support Systems, Management Planning and Control Systems and Strategic Management. Received tenure in 1987.

January 1982 - August 1987 Assistant Professor, College of Business and Management, University of Maryland-College Park. Taught Decision Support Systems, Management Planning and Control and Strategic Management.

Other Recent Professional Activities/Employment

December 2008 – Current Information Systems Collection Editor for Business Expert Press (<http://businessexpertpress.com>).

March 2008 – Current Executive Director of Iowa Metaverse, Inc. (<http://iowametaverse.com>), a Nonprofit Iowa 501(c)(3) corporation. Develop and manage the island Iowa in Second Life.

August 2007 – Current Decision Support Expert for the Business Intelligence Network.

1999 – Current Editor of DSSResources.COM, a knowledge repository about computerized systems that support decision-making, affiliated with the Business Intelligence Network. Editor of the e-newsletter DSS News and author of the bi-weekly Ask Dan! column. DSS News has a circulation of approximately 2400 subscribers in more than 50 countries.

May 2004 – Current Editor of DecisionAutomation.com and PlanningSkills.com, affiliated with the BI Network.

December 19, 2005 – January 6, 2006 Visiting Scholar, Information Systems group at National Sun Yat-Sen University, Kaohsiung, Taiwan.

Summer 2003 Visiting Summer Faculty Research Fellow, U. S. Air Force Research Lab Information Institute, Information Systems Directorate, Collaborative Simulation Lab, Dayton, OH. Research on Military Decision Support.

December 16, 2002 - December 19, 2002 Visiting Professor, Moscow State Linguistic University, 38, Ostozhenka Ul. 119034, Moscow, GSP, Russia. Lectured on Decision Support Systems.

September 30, 2001 - October 12, 2001; October 1, 2004-October 14, 2004; August 11-24, 2006; August 8-18, 2008. Professor, University of Northern Iowa MBA program in Hong Kong, China. Taught Management Information Systems Concepts .

June 4, 2001 - June 15, 2001 Visiting Professor, American Accounting and Business Program, Moscow State Linguistic University, 38, Ostozhenka Ul., 119034, Moscow, GSP, Russia. Taught Business Strategy.

June 8 - June 30, 1999 Foreign Expert and Visiting Lecturer on Decision Support Systems and Web Technologies at: Hefei Institute of Economics and Technology, Hefei University of Technology, NanKai University, Shandong University of Building Materials, Tianjin University of Commerce, University of Science and Technology of China.

December 13, 1997 - December 30, 1997 Visiting Professor, American Accounting and Business Program, Moscow State Linguistic University, 38, Ostozhenka Ul., 119034, Moscow, GSP, Russia. Taught Business Strategy.

1990 – 1996 Independent member, Board of Directors, Younkers Credit Corporation, Inc. (known previously as Younkers Funding Corporation). We managed a \$100 million credit card receivables operation.

December 13, 1996 - January 3, 1997; and May 18-30, 1997 Visiting Professor, Hebei Teacher's University (HTU), Shijiazhuang, China. Taught Information Systems. Assisted with UNI May 1997 study tour to HTU.

March 6 - 28, 1993 Visiting Professor, International Business Economics program, Aalborg University, Aalborg, Denmark. Taught a short course on Decision Making and Decision Support Systems.

May 29 - June 9, 1992 Visiting Scholar, University College-Dublin, Dublin, Ireland. Lectured on Decision Support Systems.

Books

Kulkarni , U., D. J. Power, and R. Sharda (Editors), Decision Support for Global Enterprises, **Annals of Information Systems**, Vol. 2, New York: Springer, 2007.

Case Studies

Power, D. J., "Transforming GE Real Estate with Innovative Data-driven Decision Support", DSSResources.COM, January 12, 2007.

Power, D. J. and C. L. Fletcher, University of Northern Iowa Dining Services uses FoodPro®, 2005, DSSResources.COM, June 3, 2005.

Pontz, C. and D. J. Power, "Building an Expert Assistance System for Examiners (EASE) at the Pennsylvania Department of Labor and Industry", November 2002, DSSResources.COM, November 14, 2002.

Power, D. J. and R. M. Roth, "Ertl's Decision Support Journey", 2003, DSSResources.COM, January 31, 2003.

Inventions and Innovations

Developed a computerized management decision aid software program, Fall 1975; expanded, developed and programmed a microcomputer version in 1981-82.

Invented an input keyboard for non-typists. Patent number 4,615,629, issued October 7, 1986.

Developed Management Decision Assistant software tools published by South-Western Publishing Co., August 1987.

Developed PlanningDSS.com, PlanningSkills.com, DSSResources.com.

Technical Reports

Power, D. J. Toward Advanced Military Decision Support. Air Force Research Lab Information Institute, August 2003.

Power, D. J. Interactive Video Distance Learning: Architecture and Cost Issues. Deere, Inc., January 1999.

Power, D. J. Command Information Management: The Commander's Workstation. Institute for Defense Analyses, Record Document D-51, October 1983, Prepared for the Office of the Under Secretary of Defense for Research and Engineering.

Talks and Professional Presentations

Challenges of Real-Time Decision Support. Keynote Speaker, RTDMC-08 workshop, sponsored by AIS SIG DSS, Paris, France, December 13, 2008.

Decision Support Tools. Panelist and Presenter Decision Sciences Institute 2008 annual meeting, Baltimore, MD, November 22-25, 2008.

DSS for crisis planning, response and management. Keynote Speaker, ISCRAM2005, the Second International Conference on Information Systems for Crisis Response and Management, Brussels, Belgium, April 17-20, 2005.

Providing Web-Based DSS for Customers, presented in session on DSS Technology and Ecommerce chaired by V. Sugumaran, Decision Sciences Institute 2004 Annual Meeting, November 21, 2004, Boston, MA.

Spreadsheet-based DSS course design, Panelist and Presenter in session on Designing and Delivering Successful Spreadsheet-based DSS Courses, chaired by C. Ragsdale, Decision Sciences Institute 2004 Annual Meeting, November 22, 2004, Boston, MA.

Types of Decision Support Systems, presented at Innovations in Teaching Decision Support Systems Development workshop, organizers were Ravindra K. Ahuja and Wayne L. Winston, held at Amelia Island Plantation, Jacksonville, FL, August 1-5, 2004.

Model-driven Decision Support Systems: Research Needs and Directions, AIS SIG DSS workshop, December 2003 (developed with R. Sharda).

Defining Decision Support Constructs. Keynote Speaker, 7th International Conference of the International Society for Decision Support Systems (ISDSS), Ustron, Poland, July 2003.

Spreadsheet-based DSS Curriculum Issues. Panelist at 2002 Americas Conference on Information Systems, Dallas, TX, August 9-11, 2002

Philosophical Foundations of Decision Support Systems. Chair and panelist at 2001 Americas Conference on Information Systems, Boston, MA, August 3 - 5, 2001.

Developing Web-Based DSS. Invited presentation at Applied Technology in Business program at Oakland University, October 13-14, 2000.

Decision Support Tools. Panelist and Presenter Decision Sciences Institute National meeting, New Orleans, Louisiana, November, 1999.

Integrating DSS Technologies. Presented at Workshop on Advanced Group Technologies, UVA -NASA-Langley, Hampton, VA, July 20, 1999.

DSS Resources Web Tour. Presented at the Decision Sciences Institute National meeting, San Diego, CA, November, 1997.

DSS Web Tour. Presented at the International Federation for Information Processing Working Group 8.3 (IFIP WG 8.3) conference, "Implementing Systems for Supporting Management Decisions: Concepts, Methods, and Experiences", London, UK, July 21-24, 1996.

Designing Computerized Decision Aids: Hypotheses and Guidelines. Poster Session at 1992 Judgment and Decision Making conference, St. Louis, MO, November 1992.

Impacts of Problem Structure and Computerized Decision Aids on Decision Attitudes and Behaviors. Poster session at 1992 Academy of Management meeting, Las Vegas, Nevada, August 1992 (with Meyeraan, S. and Aldag, R.)

Implementing Corporate Acquisition Strategies: An Empirical Examination. Presented at 1990 Decision Sciences Institute Annual Meeting, San Diego, CA, November 1990 (with Rubenson, G.C. and Aldag, R.J. and abstracted in Proceedings).

Information Centers: The Management Dilemma. Presented at 1990 Information Resources Management Association, Hershey, PA, May 1990 (with Gleadall, L. and abstracted in Proceedings).

Management Support Systems and Hypermedia. Presented at Ninth Annual International Conference on Information Systems, Minneapolis, MN, December 1988.

Macintosh Management Support Software. Presented at TIMS National meeting, Washington, DC, April, 1988.

Designing Decision Aids. Presented at TIMS National meeting, St. Louis, October 1987.

Computer-aided Elicitation of Values. Presented at SPUDM-11, Cambridge, UK, August 1987.

Management Policy Expert Systems: Prospects and Requirements. Presented at AI in Engineering Conference, The George Washington University, October 1985, (with Hevner, A.R.).

Hierarchical, Goal Oriented Planning Support Systems. Presented at NATO Advanced Study Institute on "Intelligent Decision Aids", San Miniato, Italy, September 1985.

Biases and Problems in Merger and Acquisition Decision Processes. Presented at the Strategic Management Society Conference, Philadelphia, October 1984.

Using the Symptoms, Problems and Treatment Framework to Structure Knowledge for Management Expert Systems. Presented at IFIP Working Group 8.3 Conference in Durham, England, July 23-26, 1984.

Impact of Technology on Managerial Work. Presented at World View '84, World Future Society, June 1984.

Decision State versus Process Variables as Predictors of Corporate Acquisition Effectiveness. Presented at the National Academy of Management Meeting, Dallas, August 1983, (with Huber, G.P.).

Examination of Two Strategies for Reducing Appraisal Errors. Presented at the National Meeting of the American Institute for Decision Sciences, November 1982.

An Examination of Drucker's Five Rules for Successful Acquisition. Presented at the Strategic Management Society, Montreal, October 1982, (with Paine, F.T.).

Case Study of the Design and Development of a Decision Support System. Presented at ORSA/TIMS National Meeting, Detroit, April 1982.
